

PROTECT YOUR SITE AND YOUR PEOPLE WITH SOSEC 100 BARRIER & GATE

The UK's first mobile, solar powered barrier system

TRIED, TESTED, TRUSTED

"The product **fits our site perfectly**. I wouldn't hesitate to **recommend** it to other developments".

Barratt David Wilson Homes

SOSEC 100 is a fully off-grid, solar-powered barrier and pedestrian/work gate, designed for reliable, off-grid access control to site. This tried and trusted barrier used on sites across the UK for a decade comes with auto exit, safety beam and can be fully customised to suit individual site requirements.

SOSEC 100 is mobile and can be simply moved to the new location with no interruption to use. It is delivered to site ready to work.

BARRIER - 5m boom with full drop skirt or red/green LEDs

SELF CLOSING - pedestrian gate with keyed lock

OPTIONS - range of access control to suit your site

SOLAR - 24/7/365. Up to 400 daily operations, all year round

FORKLIFT READY - 1.0m x 1.5m steel base, 550kg

SOSEC 100 is available to **hire** or **buy** now.
